

# STRUCTURAL BUILDING COMPONENTS MAGAZINE

March 2003

## From Our Readers

December 18, 2002 • Via Email:

I really devour the SBC, even more now than when I was active. Thanks for making it the most outstanding communicator for the truss and engineered wood industry.

Bill Loeffler

May I thank you for a very interesting November SBC? There is a lot of very useful information in this issue and it is one that I will keep handy for reference for a long time. Keep up the good work.

John E. Meeks, P.A.  
Consulting Engineer

To: Mike Baker, Trus Joist

I just wanted to send a note to say thanks and job well done. Your article in the November 2002 issue of SBC Magazine was direct and straightforward which is most welcome by the professionals in the industry.

Best regards,  
James R. Gilleran, Managing Director  
Finnforest USA • Engineered Wood Div.  
Roseville, MI

The mission of Structural Building Components Magazine (SBC) is to increase the knowledge of and to promote the common interests of those engaged in manufacturing and distributing of structural building components to ensure growth and continuity, and to be the information conduit by staying abreast of leading-edge issues. SBC will take a leadership role on behalf of the component industry in disseminating technical and marketplace information, and will maintain advisory committees consisting of the most knowledgeable professionals in the industry. The opinions expressed in SBC are those of the authors and those quoted solely, and are not necessarily the opinions of any of the affiliated associations (SBCC, WTCA, SCDA & STCA).
