

*"DCG supplies 12% of the workforce and they build 38% of my total production."
~ Greg Presley
(over 30 years of experience)*

What 4Ward/DCG Can Do For You

We will analyze the labor pool in the market and your existing employees to establish a unique program that fits your organization. We recruit and train employees, manage payroll, and maintain an incredible safety program. In addition, our weekly reporting of your efficiencies then allows you to manage your sales program effectively to keep up with the additional capacity we create!

**We Are Component
Consultant Experts**

Our Services

We are component consultant experts providing labor and training initiatives tailored to your organization's needs.

- ✓ ASSESS THE SITUATION
- ✓ LEADERSHIP TECHNIQUES
- ✓ STRATEGIZE THE BASICS
- ✓ ACTION PLAN

True Labor Initiatives

4Ward Design & Labor Group has an exclusive partnership with Dynamic Capacity Group (DCG) to bring you a labor program that encompass all aspects of your workforce. Combining our proven track-records of success in labor management and our manufacturing expertise, we offer you a winning combination.

Why Bring An Expert

4Ward knows that managing your labor force, including recruiting and training, is a full-time job. As experts we can help you take care of your most valuable asset —your people.
